Decatur, GA 30035

May 15, 2025

CONFIDENTIAL

To Our Valued Customers:

Due to recent spikes in material costs combined with significant increases in tariff, duty, and freight costs, **effective June 1, 2025**, all Iota Power products pricing will be increasing.

We will honor current pricing on all current available inventory through May 31, 2025. Please find the current inventory list attached. This inventory will be sold on a first come first serve basis and pricing is good only on available inventory.

Pricing for all orders entered on or after June 1, 2025, or items without current inventory, should reflect the price list below. If you have any questions, please reach out to your Acuity Iota customer service representative.

The Iota Power Products team appreciates your continued business and your understanding in this challenging marketplace.

Best regards,

Todd Bartol
